Functions Rooms

Aurora Stadium has an impressive range of unique function venues

From the Aurora Social Club Room on Level 1, to the KWMC Blue Room, both overlooking the ground and the magnificent Inveresk Precinct, it is a wonderful setting for any type of event you may be planning.

For cocktails, formal dinners, business lunches, product launches, media briefings and all types of special occasions (engagements, weddings, birthdays) - the opportunities at Aurora Stadium are limitless.

Regardless of the type of event, a function at Aurora Stadium is certain to be something distinctly different and very memorable for all your guests.

With an impressive view of Aurora Stadium, both function rooms are well appointed with quality fittings and a high-class venue for your special event. With full glass frontage that allows the sun to stream in and modern decor, this room provides a warm and welcoming atmosphere for all types of special events.

Impress your guests by utilising our Electronic Video Screening Board. This can be used to send special message to your function attendees, or present your slide show on the giant screen.

By prior arrangement the Screening Board can be made available for your function. In addition the stadium lights can be turned on.

The Aurora Function rooms include:

- Audio Facilities
- Plasma Screens
- Air Conditioning
- Lectern
- Bar Facilities
- Accessible via lift from ground floor
