Player Individual Sponsorship

\$550.00 pa
(inclusive of GST)

Each North Launceston Football Club Incorporated (NLFC) player is requested to find an individual sponsor to assist with offsetting the annual player expenses. As many NLFC players are young men involved with educational pursuits, finding their own corporate partner to support them is difficult.

NLFC helps these players by approaching local businesses requesting they encourage these young men in their aim of competing at the highest level of their skills and abilities and to further develop their playing career.

Players are NLFC's greatest asset. It costs NLFC approximately \$200,000 per season to provide the players with the following:

Player Facilities and Programs

- Home games are played at the best football facility in Tasmania (arguably Australia), Aurora Stadium;
- Training is principally conducted on Invermay Park (adjacent to Aurora Stadium). In addition at least 25 training sessions per season are held on Aurora Stadium;
- Players are provided with all NLFC playing attire;
- Players are provided with NLFC's uniform inclusive of pre-season training attire;
- Players are provided with in house gymnasium facilities;
- NLFC provides a comprehensive 3 nights per week training program overseen by the NLFC Head Coach Zane Littlejohn, and assistant coaches supplemented by day and weekend training and rehabilitation programs;
- NLFC provides Strength and Conditioning and other specialist Coaches to manage players' individual improvement strategies throughout the year;
- NLFC provides a qualified sports training team supervised by a qualified medical practitioner to support players prepare for training and games and manage injury and rehabilitation.

Player Facilities and Programs cont...

- NLFC provides swimming pool rehabilitation sessions throughout the season and further provides any registered player with a three month Launceston Aquatic membership during period of prolonged rehabilitation;
- NLFC provides specialist development opportunities for players. In season 2010 NLFC launched the Drive to Arrive program where its under 18 team attended a full day safety driving training at Symmonds Plains Raceway delivered by John Bowe Driver Training;
- NLFC provides players with an assortment of meals and non alcoholic beverages inclusive of pre-season BBQ's, in season weekly player teas prepared by a qualified chef and match day recovery food and beverage;
- NLFC regularly provides guest speakers to inform and further educate players on topics such as drugs and alcohol;
- NLFC provides consultants to educate and manage programs for players on topics such as nutritional requirements;
- NLFC provides each player with a home and away free gate entry pass and provides each player with 20 home game free admittance passes to encourage the player to invite family and friends to each NLFC home game to support and encourage the player. This player benefit alone costs the NLFC \$160 per player; and
- NLFC upgrades basic travelling away transport over and above AFL Tasmania's grant funding to ensure players arrive at the venue at the most appropriate time in order to maximise player welfare and performance.

In return for a business supporting a NLFC player, the business owner shall receive the following:
